## WARRANTS, CIRCULARS, &c.

CIRCULAR, No. 711.

VICTORIA R.

36—General No. 48.

### Regulations for Military Savings Banks.

(With reference to Act 22 & 23 Vict. cap. 20.)

War Office, 31st August, 1861.

*Savings Banks to be maintained.*

1. To AFFORD to the Soldiers of the Army facilities for depositing their Savings, there shall be maintained in every regiment and depôt of regular Cavalry and Infantry, and in the Royal Artillery and Royal Engineers, Military Savings Bank for the safe custody and increase of such savings; and the following Regulations shall be observed and obeyed wherever the troops may be serving, India excepted, with the reservation as to Charitable Funds Accounts hereafter provided for (Article 76).

#### *Deposits.*

2. Officers commanding troops, companies, batteries and detachments shall receive as public money, to be applied to the payment of those public services which it is their duty to defray, such sums as the Soldiers under their command may from time to time desire to deposit in the Savings Banks.

3. The maximum of each Soldier's deposit upon which interest shall be allowed is limited to 30*l.*, (exclusive of interest added,) in any one year, (the year to be considered as ended on each 31st of March,) and to 200*l.* in the whole (inclusive of interest added). Any sum remaining deposited at the end of the year in excess of the above limit of 30*l.*, shall be considered as a deposit made at the commencement of the ensuing year and carry interest from that time accordingly. The amount of deposits upon which interest is allowable shall not be affected by the investment of a gratuity under the provisions of Article 23.

4. All moneys deposited by the Soldier in the Military Savings Bank shall be held strictly in trust for his own use and benefit, and shall on no account be transferable to any third party, nor be withdrawn except under his own order, signified to the Officer commanding his troop, company, battery or detachment, unless the same, or any portion thereof, become forfeited to the public; and such moneys shall, if possible, be paid to the Soldier personally, and his receipt shall be obtained, and shall be attached to the Savings Bank ledger of the troop, company, battery or detachment; and a separate receipt shall be obtained from him on the Monthly Form, No. 2, to be transmitted to this Office with the Annual Accounts.

5. Deposits shall only be made and entered in the Savings Bank ledgers once in each month, viz. on the day of monthly settlement.

6. The Officer commanding the troop, company, battery or detachment shall, by his signature, in the troop, company, battery or detachment ledger, acknowledge the receipt of all deposits made.

#### *(None but Soldiers to make Deposits.)*

7. To prevent persons, not in military employ, from availing themselves of the advantages afforded by these Banks, no Soldier shall, on any pretence whatever, deposit in his own name the money of another person, whether a Soldier or not; and in case any Soldier shall so deposit the money of another person, all sums so deposited shall be forfeited to the public, and one half of the amount, not exceeding 5*l.*, shall be allowed to the informer, unless the whole amount shall, upon a special consideration of the circumstances of the case, be restored by the Secretary at War to the owner of the money so deposited.

#### *Interest.*

8. The rate of interest allowed upon deposits shall be 3*l.* 15*s.* per cent. per annum, but no interest shall be allowed upon any other parts of a pound sterling than 6*s.* 8*d.*

## CIRCULAR, No. 711—continued.

and 18s. 4d., nor upon any sums that shall not have remained in deposit for at least one month, to be reckoned from the last day of monthly settlement, and interest shall be only allowed upon sums withdrawn up to the settlement day preceding the day the deposit is withdrawn, unless such day shall be the settlement day. Interest upon all sums in deposit (within the limit prescribed in Article 3) shall be added to the principal quarterly, and shall thenceforward bear interest; in cases of transfer, however, to avoid carrying forward the balance due to a depositor in two sums, the interest shall invariably be added to the principal, as by Article 35 is provided.

*Withdrawals.*

9. When a Soldier shall be desirous of withdrawing the whole or any part of his deposit, he shall give at least seven days' notice to the Captain or Officer commanding the troop, company, battery or detachment to which he belongs, in order that the necessary arrangements may be made for repayment of the amount at the next day of monthly settlement; but if such Captain or Officer commanding shall be satisfied of the urgency of the case, and that the immediate withdrawal of the deposit would be for the advantage of the Soldier, he may direct payment to be forthwith made.

10. Whenever the Officer commanding the troop, company, battery or detachment shall have strong grounds for believing that the Soldier intends to make an improper use of his money, he may suspend the issue of the deposit, until the Commanding Officer of the battalion or corps at head quarters, or at the station, shall determine whether it shall then be issued or not, and should the Officer commanding deem it essential to discipline to authorize such suspension, he shall report specially and with the least possible delay to the Commander in Chief and the Secretary at War the circumstances under which he has felt himself compelled to exercise this power.

*Deposits and Withdrawals (small sums).*

11. No Soldier shall deposit a smaller sum, nor leave a smaller sum, than one shilling in a Military Savings Bank, and it will be the duty of Officers commanding troops, companies, batteries and detachments to ascertain, by an inspection of the troop, company, battery or detachment ledger, when a depositor applies for leave to withdraw a part of his deposits, the amount of his balance then remaining, and in those cases where the balance will be less than one shilling, to add such balance to the sum required to be withdrawn.

*Serjeants' Mess Fund.*

12. In regiments or depôts, in which a Serjeants' Mess Fund is established, the amount of the said fund may be invested in the Savings Bank, and interest allowed thereon, irrespective of the limit prescribed in Article 3. The account of the fund shall be opened in the name of the Serjeant Major or other Serjeant who acts as treasurer, and may be included in the ledger of the troop, company, battery or detachment to which he belongs; but all deposits and withdrawals shall be made on written requisitions, signed by the treasurer and two other members of the Mess Fund Committee; and this Mess Fund Savings Bank Account shall be kept perfectly distinct from the personal Savings Bank account of the Serjeant who shall act as treasurer.

*Regimental Funds.*

13. In like manner, other Regimental Funds may, with the special sanction of the Secretary at War, be invested in the Savings Bank, under such restrictions as he may think fit.

*Civil Savings Banks (withdrawal from, for Deposit in Regimental Savings Banks).*

14. As it is not lawful for a person having money in deposit in one Savings Bank to make a further deposit in another, nor to deposit at interest in any one year more than 30l., a Soldier having money in a Civil Savings Bank must withdraw such deposit before he can make any deposit in a Military Savings Bank; the money so withdrawn may be invested in a Military Savings Bank, but if the amount shall exceed 30l., the amount of further deposits upon which interest can be allowed during the remainder of the year will depend upon what portion of the sum withdrawn from the Civil Savings Bank, if any, had been deposited subsequent to the preceding 1st of April, as shown by the certificate of the trustees or managers of the Civil Bank.

15. Thus, if a Soldier withdraw from a Civil Savings Bank 45l., of which 15l. had been placed in deposit on or after the 1st of April preceding, he can only be permitted to deposit at interest in a Military Savings Bank a further sum of 15l. within the year ending on the next 31st of March.

CIRCULAR, No. 711—*continued.*

16. A Soldier who has money in a Civil Savings Bank, and wishes to become a Depositor in a Military Savings Bank, but who, from being at a station distant from the place in which his money is deposited, is unable personally to attend to withdraw his property, must give an order on the form prescribed by such Civil Savings Bank for the withdrawal of his deposit, with the interest due thereupon, in favour of the Regimental Agent or Paymaster, signed by himself in the presence of and witnessed by the Officer commanding the regiment or dépôt, or in the case of the Royal Artillery, or the Royal Engineers, in the presence of and witnessed by the Officer commanding the battery, troop or company; which order, together with the Soldier's Civil Savings Bank book, shall be transmitted by the Commanding Officer to such Regimental Agent or Paymaster, who, on obtaining the amount, and the certificate of the trustees or managers of the Civil Savings Bank, shall acquaint the Commanding Officer with the date of payment, and the amount received, specifying how much of it had been placed in deposit on or after the preceding 1st of April. The Commanding Officer shall then direct the insertion of the amount in the account of the Soldier, in the Savings Bank ledger, and shall allow interest to be calculated upon it from the next monthly settlement day after the date of receipt by the Regimental Agent or Paymaster.

17. From the time of signing the order, the soldier shall be permitted to invest his further savings in the Military Savings Bank.

18. The order for transfer of deposits from a Civil to a Military Savings Bank shall, so far as may be conveniently done, be given at such period as will admit of the amount being brought into the account of the Savings Bank ledger in the same year in which the order for removal is signed.

*(Transfer to, by Soldiers about to be discharged.)*

19. In all cases of soldiers about to be discharged desiring to transfer balances due to them to Civil Savings Banks, they are to be distinctly informed that such transfers are made solely upon their own responsibility, and at their own risk, and that they will be subject to any loss that may occur in consequence of such transfer. It is desirable that the soldier should give some written directions for the new account to be opened, which would be held to be a sufficient authority to the Civil Savings Bank to receive the sum and place it to his account.

*Corps proceeding to India.*

20. The Savings Bank accounts of a Regiment of Cavalry or Infantry, or of a Battery, Troop or Company of Artillery or Engineers, proceeding to India, whether from the United Kingdom or from a colony, shall, until after arrival in India, be carried on in precisely the same manner as if the Corps were proceeding from the United Kingdom to a colony, or from one colony to another.

21. After arrival in India, the Savings Bank accounts shall be made up to the last day of a month, and, if possible, that in which the disembarkation shall take place; and a nominal list of the Depositors, showing the exact balance due to each, and the date to which interest is included, shall then be prepared, to which shall be appended the certificate of the Commanding Officer, the Officer second in command, and the Adjutant, in the case of a Regiment of Cavalry or Infantry, or, in the case of a Battery, Troop or Company of Artillery or Engineers, of the Captain or other Officer commanding. The Commanding Officer shall thereupon draw a bill upon Her Majesty's Paymaster General (Army Account) for the total amount of the balances, which bill, together with the certified list, is to be handed over to the Presidency Paymaster. A certificate that the Regimental Bank has been opened in conformity with the general instructions issued by the Secretary of State for India in Council should thus be annexed to the final Savings Bank accounts with the War Office, which should be transmitted by the next mail.

*Corps returning from India.—Corps proceeding from India to Foreign Stations.*

22. The Savings Bank balances in the Regimental Savings Banks in India, of soldiers returning to the United Kingdom, are to be remitted to London conformably to the instructions promulgated by direction of the Secretary of State for India in Council, in order to the re-investment thereof in the Home Military Savings Banks, under the direction of the Secretary at War. In the case of a Regiment proceeding from India to any foreign station, the Officer commanding shall, before leaving that country, take care to obtain from the Accountant General or other Officer of Audit of the Presidency in which the Regiment has been stationed a certified list of balances, showing the amount due to each depositor, and the date to which interest has been included. A Savings Bank ledger shall then be opened, in which the depositors shall

CIRCULAR, No. 711—*continued.*

be credited with the amounts due to them, and interest allowed thereon from the date to which it has already been included. A duplicate or certified copy of the list is to be forthwith transmitted to the War Office, and the original annexed to the Savings Bank accounts to be rendered after the 31st of March then next ensuing.

*Gratuities for Long Service and Good Conduct (investment of).*

23. Gratuities awarded to soldiers for long service and good conduct, or for distinguished conduct in the field, are to be invested in the Military Savings Banks, but only under special authority from the War Office.

*(Withdrawal of.)*

24. A gratuity may be withdrawn by the soldier entitled thereto, on receiving his discharge, without any special authority, but the date of discharge shall invariably be stated on the face of his ledger account.

*(Transfer of.)*

25. Transfers of balances due to soldiers on account of gratuities shall be effected by means of the transfer statements, Form C. (W. O. Form, 380 A.).

*(Of Men dying before Discharge.)*

26. Should a man for whom a gratuity has been invested die before being discharged from the service, the principal and interest shall be withdrawn and added to his effects in the same manner as an ordinary Savings Bank balance, the date of decease being invariably stated on the face of his ledger account.

*(To be re-credited to Public on Annuity being awarded.)*

27. When a soldier, to whom a gratuity shall have been awarded, is granted an annuity, the gratuity, with its accumulated interest, shall be immediately withdrawn from the Bank in the usual manner, the interest, up to the day of monthly settlement prior to the date of his being awarded the annuity, paid to the soldier, and the principal specifically credited to the public.

*(Disposal of, on Corps proceeding to India.)*

28. These gratuities on a regiment of Cavalry or Infantry, or battery, troop or company of Artillery or Engineers, arriving in India, shall be deposited in the Regimental Savings Bank in that country, together with the ordinary Savings Bank deposits, but they must of course continue to be distinguished from the deposits made by the men themselves.

*(Of Men sent Home from India.)*

29. The gratuity deposits of men sent home from India shall be remitted to this country in the same manner as their ordinary Savings Bank balances, care being taken to distinguish gratuities from ordinary Savings Bank deposits.

*(Surrender or Forfeiture of.)*

30. These gratuities are only subject to surrender on promotion to the rank of a commissioned Officer, or upon a medal with annuity for distinguished or meritorious conduct being awarded, or to forfeiture by desertion, or by sentence of a general, district or garrison court-martial, or by conviction of felony by a court of civil judicature, and Commanding Officers in India shall take care to report any such cases of surrender or forfeiture specially to the Secretary at War, and to direct the Paymaster to remit to this country the principal and interest so forfeited with the other remittances to be placed to the credit of the public.

*(Promotion to a Commission.)*

31. When a non-commissioned Officer, having money in the Savings Bank, shall be promoted to a commission, he may, if he wish so to do, leave his Savings Bank balance in the hands of the public; but he cannot be allowed interest thereon beyond the last day of the month, prior to the date of his promotion, which should be stated on the face of his ledger account.

*Benefit Fund Balances.*

32. Benefit fund balances shall be retained at interest in the Savings Banks, but not under the control of the soldiers in whose names such balances are invested until their discharge.

33. These balances, or any portion thereof, may, however, be withdrawn, under

CIRCULAR, No. 711—*continued.*

Special sanction, upon the recommendation of the Commanding Officer, and upon its being proved to the satisfaction of the Secretary at War that such withdrawal will be of advantage to the soldier.

34. Benefit fund balances will be transferable as prescribed in Article 35, by means of transfer statements, Form B. (W. O. Form, 381).

#### *Transfers.*

35. When a soldier who has money in deposit in a Military Savings Bank shall be transferred to or from the service companies or dépôt, or from one regiment to another, or shall be transferred from one troop, company, battery or detachment to another, the Captain of the troop, company, battery or detachment is not to consider the amount of the soldier's account as money withdrawn from the Savings Bank, but shall furnish the Captain of the troop, company, battery or detachment to which the man shall be transferred with a statement upon the Form A. (W. O. Form, 380) of the balance of principal and interest actually due to such soldier on the day of transfer, the interest being calculated to that day, if it be the last day of a month, otherwise up to the last day of the preceding month, and shall notify upon the account in his own troop, company, battery or detachment ledger, that the soldier has been so transferred.

36. The Captain of the troop, company, battery or detachment to which the soldier shall be transferred shall, on the receipt of the transfer statement, Form A., open an account for such soldier in his own troop, company, battery or detachment ledger, and shall insert the balance as reported to him; and shall record the date of transfer (upon the face of the man's account) in his troop, company, battery or detachment ledger.

37. The Captain making the transfer, and the Captain receiving the transfer, shall, each of them, state in his annual abstract the transferred soldier's account as it stands in his troop, company, battery or detachment ledger.

38. The transfer statement, Form A., B., or C., being an important document, as constituting the voucher upon which a man's balance is transferred from one Military Savings Bank to another, shall be forwarded to the War Office, annexed as a voucher to the annual Savings Bank account, in which the man's balance is taken up; and no duplicate or copy of it shall be given under any circumstances whatever, without the sanction of the Secretary at War.

39. The transfer statement, Form A., B., or C., is applicable to the case of a man transferred from the Cavalry or Infantry to the Royal Artillery or Engineers, and *vice versa*, and it is to be clearly understood that in all cases of transferred men the removal of their balances from one Military Savings Bank to another shall be effected solely by the transmission of the statements, Forms A., B., and C., and not by any remittance of money.

#### *Discharge.*

40. Upon the discharge of a Soldier, his deposits may remain at interest in the Military Savings Bank for a period not exceeding six months, after which time interest shall cease; but, if required by the Soldier, the principal may be retained without interest for a longer period, for security.

#### *Desertion.*

41. A Soldier convicted by a Court Martial of desertion, or recorded by a Board of Officers in the usual manner as a deserter, shall forfeit to the public all moneys which he may have in the Military Savings Bank, and such forfeiture shall only be remitted by the Secretary at War.

42. When deserters who return to their Regiments shall have their deposits restored to them, by special authority, no deduction is to be made from the amount of interest on account of the period of absence.

#### *Death.*

43. At the death of a Soldier interest on his deposits shall cease from the day of monthly settlement next after his death (or in case of decease upon a day of monthly settlement on the date of his death), and the amount of his deposits, with the interest accumulated thereon, shall be withdrawn and added to his other effects, to be disposed of as prescribed in the Articles of War.

#### *Accounts.*

44. Each Captain or Officer Commanding a troop, company, battery or detachment, shall keep a Savings Bank ledger for the accounts of the Non-commissioned Officers

CIRCULAR, No. 711—*continued.*

and men of his troop, company, battery or detachment, and on each day of monthly settlement shall record in the pocket ledger of each depositor, on the form inserted for that purpose, the Savings Bank balance then due to him.

*Letter of Audit.*

45. The Secretary at War, after auditing the Savings Bank account to the 31st of March in each year, will furnish the Officer Commanding with a declaration that the account to that date has been so audited, and will become responsible to the depositors that the amount due to each, with interest, shall be paid out of public money.

46. The declaration of the Secretary at War shall be preserved, and the Commanding Officer shall notify to the Officers Commanding troops, companies, batteries or detachments, that the account of the Savings Bank has been so audited.

*Suspension.*

47. During active operations in the field, or whenever circumstances may render it impracticable to attend to the details of the Savings Banks, the General Officer in command is empowered to direct their temporary suspension; but all sums then actually in deposit shall continue to bear interest in the usual manner, and such suspension shall be immediately reported to the Secretary at War.

*Forms.*

48. A supply of the several forms applicable to Military Savings Banks may be obtained on application to the War Office. It is specially desirable to avoid all superfluous use of the forms, as they lead to inconvenient increase of bulk in the Savings Bank accounts.

*Regiments and Depôts of Cavalry and Infantry.—(Ledger.)*

49. In the Orderly Room of each Regiment or Depôt of Cavalry and Infantry, or consolidated Cavalry Depôt or Depôt Battalion, there shall be kept under lock and key, under the inspection of the Savings Bank Committee (composed of the Commanding Officer, the Officer second in command, and the Adjutant), a Regimental or Depôt Battalion Savings Bank Ledger, in which shall be entered the Savings Bank account of every depositor.

50. The entries shall be made in the Regimental or Depôt Battalion Ledger, by troops or companies, so that the amount of each troop or company shall be kept separate; and upon the transfer of a Soldier from one troop or company to another, a transfer of his account shall be made in the Regimental or Depôt Battalion Savings Bank Ledger.

*(Quarterly Examination by Committee.)*

51. At the end of every quarter the troop or company ledgers shall be compared with the regimental ledger by the Officer Commanding, the Officer second in command, and the Adjutant; and the Officer Commanding shall transmit to the Secretary at War, with the Annual Savings Bank Accounts, a certificate in the prescribed form that this comparison has been made. Should a troop or company be absent from Head Quarters, the comparison of the ledger of that troop or company with the regimental ledger may be deferred until it return to Head Quarters; but such delay shall be reported upon the annual certificate, and a certificate duly signed, that the comparison has been made, shall be transmitted to the Secretary at War upon the return of the said troop or company to Head Quarters.

*(Annual Accounts.)*

52. The annual Savings Bank accounts (certified by the Commanding Officer, the Officer second in command and the Adjutant, to have been compared with the several troop or company ledgers), shall be transmitted to the War Office at the end of each year, as soon as the balance of each depositor shall have been carried forward into the Regimental or Depôt Battalion ledger of the succeeding year, but within the time prescribed for the transmission of the Quarterly Pay List to the 31st of March.

*(Clerk.)*

53. A Non-commissioned Officer shall be selected by the Officer Commanding to act as Clerk to the Savings Bank Committee, and such Clerk shall make all the entries in

CIRCULAR, No. 711—*continued.*

the Regimental or Depôt Battalion Savings Bank ledger, and shall receive an allowance according to the following scale:—

		Per Month.				Per Month.	
		£	s. d.			£	s. d.
If the number of accounts open are under 50	...	0	2 6	If 250 and under 300	...	0	12 6
If 50 and under 75	...	0	3 6	If 300 and under 350	...	0	15 0
If 75 and under 100	...	0	4 6	If 350 and under 400	...	0	17 6
If 100 and under 150	...	0	6 0	If 400 and under 450	...	1	0 0
If 150 and under 200	...	0	7 6	If 450 and under 500	...	1	2 6
If 200 and under 250	...	0	10 0	If 500 and under 550	...	1	5 0
				If 550 and under 600	...	1	7 6

54. In selecting a Non-commissioned Officer to make the proper entries in the Savings Bank ledger, care shall be taken that the individual selected shall perform this duty in addition to his other regimental duties, so as to prevent any augmentation of the regimental staff, and the charge in the Pay List, on account of the monthly allowance to the Non-commissioned Officer or soldier acting in this capacity shall be vouched by a certificate, signed by the Commanding Officer, of the number of accounts open in the Savings Bank ledger.

*(Responsibility of Officers.)*

55. The captain of each troop or company will be responsible that the deposits he receives and the withdrawals he pays, be duly entered in each man's account in the ledger of his troop or company, and that statements of his receipts and payments on the Form No. 2 be sent immediately after the monthly settlement to the Orderly Room; also that the amount of deposits and withdrawals be duly debited against him, and credited to him by the Paymaster in the abstract of the monthly Pay List.

56. The Officer in command, the Officer second in command and the Adjutant will be responsible for the correctness of the Savings Bank ledger, which shall be prepared in the Orderly Room by the Savings Bank Clerk, under their direction, from the statements No. 2, transmitted by the Captains. They shall transmit monthly to the Paymaster, in the Form No. 3, the account of the deposits received and the withdrawals paid by each Captain.

57. The responsibility of the Paymaster with respect to the Savings Bank will be limited to the following points:—He shall debit and credit the respective Captains, in the abstracts of their Monthly Pay Lists, with such sums as are shown by the accounts, Form No. 3, transmitted to him from the Orderly Room, to have been deposited and withdrawn. He shall insert in his Quarterly Pay List, under the proper head, in the General State, the total amount of the deposits and the total amount of the withdrawals in each of the three months, as shown by the above-mentioned monthly account, Form No. 3, which shall invariably be annexed to the Pay List, and he shall add the three sums together, and debit and credit the totals thereof respectively; but in the March Pay List he shall only credit the amount of deposits for the months of January and February, and such deposits as shall have been made in March, before or on the day of settlement for February; and in the June Pay List, the amount of deposits made in March, subsequently to the day of settlement for February, with those for the months from April to June, both inclusive. It will consequently be necessary, in order that the vouchers for each of those Pay Lists may be separate and complete, that the Paymaster be furnished by the Orderly Room with two copies of the Form No. 3 for the month of March, one to be transmitted with the March Pay List as a voucher for the March withdrawals, and for such deposits in that month as shall have been made on or prior to the day of settlement for February, the other for such deposits in the same month as shall have been made subsequently to the day of settlement for February, to be transmitted with the June Pay List. The Paymaster shall give special credit for the deposits forfeited by deserters. He shall take care that the balances of deposits reported to be due to deceased men are duly carried to their non-effective accounts, and he is to annex to the non-effective accounts of all deserters and deceased men the prescribed certificate, stating whether they had any moneys in the Savings Bank.

*(Deposits and Withdrawals in March.)—(Form No. 2.)*

58. Two Copies of the Form No. 2 shall be prepared for the month of March; one for the withdrawals, to be transmitted with the accounts for the year ending the 31st of that month, the other for the deposits, to be transmitted with the next year's accounts, unless in those cases in which the day of monthly settlement for February shall be in March, when the deposits made on such day of monthly settlement shall be included in the Form No. 2 for March, to be sent with the accounts for the year ending

CIRCULAR, No. 711.—*continued.*

on the 31st of that month, and not in the Form No. 2 for the month of March, to be sent with the accounts of the succeeding year, which shall contain those deposits only that were made in March after the day of monthly settlement for February.

*(Men attached.)*

59. When from peculiar circumstances, such as distance of station or otherwise, the deposits of a soldier, temporarily attached to a troop or company to which he does not belong, are received or paid by the Captain of such troop or company, the number of the troop or company to which he actually belongs, and in the Savings Bank ledger of which his account shall still continue to be kept, shall be stated opposite to his name in the Form No. 2, and the number of the troop or company to which he is attached on the face of his ledger account.

*(Gratuities.)*

60. A gratuity invested in the Savings Bank for the benefit of a soldier, there to remain at interest until his discharge, shall not be entered in the Savings Bank ledger or abstract of the troop or company to which he may belong, but shall be accounted for in a separate ledger and abstract to be set apart for these investments, in which the men's names shall be arranged without any reference to companies. In the event of a gratuity being surrendered or forfeited, it is to be withdrawn from the Savings Bank, and specially credited to the public in the general state of the Quarterly Pay List, with a reference to the date of the Commanding Officer's letter, reporting the surrender or forfeiture to the Secretary at War.

*(Men discharged at Chatham.)*

61. As it is expedient that the Savings Bank balances of all soldiers sent to Chatham to be discharged shall be paid to them, whether their regiments be at home or abroad, through the Paymaster of the Invalid Depôt, the utmost care is to be taken by the Captains of companies and Officers Commanding regiments that the transfer statements of all such men be sent to the Superintendent of the Invalid Depôt at Chatham, at the time they shall quit the regiment to which they belong or are attached, in order that their Savings Bank balances may be included in the Savings Bank account of the Invalid Depôt.

*(Deserters.)*

62. In all cases of desertion, the deposits standing at the credit of the deserter in the Savings Bank shall be withdrawn by the Captain of the troop or company to which he belongs, and shall be treated in every respect, as far as the Savings Bank accounts are concerned, in the same manner as any other withdrawals, and shall be placed in the hands of the Paymaster for the purpose of being inserted in the next Pay List rendered by him to the War Office, not as a credit in the man's non-effective account, as part of his effects, but as a specific and distinct credit to the public in the general state.

*(Deceased Men.)*

63. All sums in the Savings Bank, belonging to deceased soldiers, shall in like manner be withdrawn, but the amount is to be credited in their non-effective accounts as part of their effects, and the particular Pay List in which such credit shall be given is to be stated on the face of their ledger accounts, and a list of such balances, as also those of deserters, &c., shall be prepared on the prescribed form No. 11 (W. O. Form, 1062), which shall invariably be forwarded with the Annual Accounts.

*(Form No. 2.)*

64. The name of the Captain should be stated on the face of the Form No. 2, which shall be transmitted, *unfolded*, with the Savings Bank ledger to the War Office, arranged according to troops or companies and priority of date.

*(Forms Nos. 2 and 3, etc.)*

65. In those cases where neither deposits nor withdrawals shall have taken place within the month, a blank form, No. 2, for such month will not be required. Care shall be taken that on the sheets of the ledger, on the troop or company abstracts, on the general abstract, and also on the face of the Forms Nos. 2 and 3, the number or letter of each troop or company is distinctly stated, *but not both*.

*Royal Artillery and Royal Engineers.*

66. The Officer commanding each battery, troop or company shall transmit to the Paymaster, immediately after the monthly settlement, a statement of receipts and pay-

CIRCULAR, No. 711—*continued*.

ments, on the form supplied for that purpose by the War Office, Savings Bank Form, No. 2 (W. O. Form 189). These statements shall accompany the monthly abstracts of such batteries, troops and companies. With regard to the Savings Bank balances on the accounts of men who have become non-effective by desertion or death, the instructions contained in Articles 62 and 63 are applicable to the Artillery and Engineers, as well as to the Cavalry and Infantry service.

67. In the case of deposits or withdrawals on March or April abstracts, it shall be shown on the monthly statements to which year such deposits or withdrawals shall have been charged or credited in the men's accounts.

68. The account of every soldier is to be closed on the 31st of March in each year, and the balances carried forward to the next year's account.

69. When such balances have been so carried forward, the Officer in charge of each battery, troop or company shall immediately cause the account for the past year to be prepared and forwarded to the Paymaster, with a certificate that the same has been carefully examined with the original and found correct, and that the account of every depositor has been calculated to 31st of March, and the balance due to each carried forward to the next year's account.

70. These accounts and certificates are to be forwarded to the War Office by the Paymaster, after he has compared the statement of deposits and withdrawals entered on the last page of the annual abstract with the amounts credited and debited by him in his quarterly Pay Lists on account thereof, together with his report as to the agreement thereof.

#### *Regimental Charitable Funds.*

71. The annual accounts of the Regimental Charitable Funds shall be prepared immediately after each 31st of March on the W. O. Form (No. 400 a), and separately forwarded to this office.

72. The preparation of the Charitable Fund Account shall form a part of the duty of the Savings Bank clerk, and such account shall, in the computation of his monthly allowance, be reckoned as forming an additional account, although not included in the General Abstract as part of the Savings Bank account.

73. Charges on account of donations from the Regimental Charitable Funds to meritorious discharged soldiers, and to the wives, widows and children of soldiers, or on account of payments of a charitable nature, or for purposes of amusement or recreation of the men, will be admitted in the Paymaster's or Agent's accounts, if vouched by the authority of the Commanding Officer and proof of payment.

74. When however a regiment is on foreign service, and the Officer Commanding shall deem it expedient that a portion of the Charitable Fund shall be disbursed at the dépôt, a specific arrangement, which shall be notified to the Secretary at War, shall be made with the Officer Commanding the dépôt as to the nature and extent of such disbursements; and the necessary charges for the same will be admitted in the accounts of the dépôt, if vouched by the authority of the Officer Commanding the dépôt, with proof of payment and reference to the letter in which the arrangement under which such disbursements are made was communicated to the War Office. The Officer Commanding the dépôt shall take care immediately to report to the Officer Commanding the service companies all disbursements authorized by him, in order that the same may be included in the annual accounts of the funds.

75. The order of the Commanding Officer shall be sufficient authority to the Paymaster for any charge on account of these funds, and such order, together with proof of payment, shall be annexed as a voucher to the charge in the Pay List.

76. Commanding Officers of regiments in India will continue to transmit the Charitable Funds Accounts to the War Office, the necessary credits and charges being included in the returns of Miscellaneous Remittances (W. O. Form, 327 a).

77. These regulations shall come into operation on the 31st day of August, 1861, and shall after that day, subject to any further regulations that may hereafter be made under the Act 22 & 23 Vict. c. 20, be the only regulations in force as to Military Savings Banks (excepting only such special instructions as have been given in particular cases); and these regulations shall apply as well to deposits theretofore made in Military Savings Banks established under 5 & 6 Vict. c. 71, and to Regimental Charitable Funds theretofore paid into the Bank of England under 12 & 13 Vict. c. 71.

By Command.

*An Act to amend and consolidate the Laws relating to Military Savings Banks.*

[13th August, 1859.]

WHEREAS an Act was passed in the Session holden in the fifth and sixth years of Her Majesty, "to establish Military Savings Banks,"\* and an Act was passed in the Session holden in the eighth and ninth years of Her Majesty, to amend the first-mentioned Act,† and an Act was passed in the Session holden in the twelfth and thirteenth years of Her Majesty, "to dissolve Regimental Benefit Societies, and to provide for the "Application of the Funds of such Societies and of Regimental Charitable Funds:"‡ And whereas it is expedient to amend and consolidate the said Acts, and to confirm or render valid all acts that may have been done under the authority of the Secretary at War, or Her Majesty's Principal Secretary of State for the War Department, in relation to the Military or Regimental Savings Banks already established, and the deposits therein, and the payments of principal and interest in respect of such deposits: Be it therefore enacted by the Queen's most excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

*Recited Acts repealed.—Acts done confirmed.*

I. The said acts shall be repealed, save as herein otherwise provided: Provided always, that such repeal shall not affect any deposit made or other act done under the authority of the said acts or any of them before such repeal takes effect, and all acts done under the authority of any rules made in manner provided by section three of the firstly hereinbefore-mentioned Act, or under the authority of the Secretary at War, before such repeal takes effect, in relation to the deposits made in Military or Regimental Savings Banks theretofore established, and all payments of principal and interest made in respect of such deposits, shall be and be deemed to have been legal and valid.

*Military Savings Banks may be established.*

II. It shall be lawful for Her Majesty, in manner hereinafter mentioned, to establish or continue Military or Regimental Savings Banks, for the purpose of receiving sums of money from such of the Non-commissioned Officers and Soldiers employed in Her Majesty's Service, either in the United Kingdom or upon foreign stations (India alone excepted) as may be desirous of depositing the same, and for receiving deposits of any moneys or funds whatsoever raised or paid for objects or purposes connected with Non-commissioned Officers and Soldiers which Her Majesty may from time to time think fit to authorize to be deposited in the said Savings Banks.

*Regulations for Savings Banks, how to be made.*

III. Regulations for the Savings Banks so to be established or continued shall from time to time be made by the Secretary at War, with the concurrence of the General Commanding in Chief and of the Commissioners of Her Majesty's Treasury; and such Regulations, when sanctioned by Her Majesty, shall be signed by the Secretary at War and laid before both Houses of Parliament; and a copy of such Regulations shall be deposited in the Orderly Room of every Regiment to which they apply; and such Regulations shall be binding upon all Officers concerned, and upon the several depositors in the said Savings Banks and upon their representatives.

*What to be provided for by the Regulations.*

IV. Such regulations shall or may (as the case may require) make provision in relation to the following matters; (that is to say,)

Shall regulate and determine the rate of interest to be paid to depositors, not exceeding the yearly rate of three pounds fifteen shillings for every one hundred pounds, and what (if any) fractional parts of a pound or sums less than a pound shall bear interest, and what length of time deposits must remain in order to bear interest, and at what times interest shall be added to principal so as to become principal, in like manner as if the same had been paid to the depositor and been again deposited, and what deposits may be received upon which interest shall not be payable;

May determine in what cases or under what circumstances deposits and the interest (if any) thereon shall be forfeited to the public;

May make provision for and concerning the retention or deposit in the Military or Regimental Savings Banks of the effects of deceased Non-commissioned Officers or

CIRCULAR, No. 711—*continued.*

soldiers, or the money arising therefrom, at interest or without interest, and for the payment or application thereof and of the interest thereon to or for the benefit of the orphans of such Non-commissioned Officers or soldiers, or other persons entitled to the same;

May make provision for and concerning the deposit of funds created for charitable regimental purposes by subscriptions of Officers, unexpended balances of canteen funds, or otherwise, and of any funds or moneys created, raised or paid in any manner whatsoever for objects or purposes connected with Non-commissioned Officers or soldiers, and concerning the manner in which such funds or moneys, and the interest thereon, shall be paid, applied or distributed;

May make it obligatory on Commanding Officers of Regiments and others to deposit such funds or moneys in the said Savings Banks, and to account to the Secretary at War or otherwise for the same, and the due application thereof;

May make provision for the withdrawal from the said Savings Banks for the purpose of transfer to India of any money whatsoever deposited in the said Savings Banks, and the accumulations of interest thereon, upon the occasion of regiments proceeding to India;

And shall provide for the keeping of proper accounts, and generally for all such matters in relation to the said Savings Banks and deposits therein as may be thought proper;

And such regulations shall be made as well with reference to deposits already made in the Savings Banks established under the firstly hereinbefore-mentioned Act and charitable regimental funds already paid into the Bank of England under the thirdly hereinbefore-mentioned Act as to deposits to be made under this Act:

Provided always, that deposits by any individual depositor in any one year (ending on such day as may be in the regulations mentioned), exceeding thirty pounds in the whole (exclusive of interest added), shall not bear interest until after the end of such year, except only in the case of deposits of gratuities awarded for good conduct or otherwise, and that while the sums standing in the name of any individual depositor (inclusive of interest, if any) amount to or exceed two hundred pounds no interest shall accrue on any sum in excess of that amount standing in his name; but this proviso shall not apply to or in the case of money retained or deposited in a Military or Regimental Savings Bank after the death of a Non-commissioned Officer or soldier, for the benefit of his orphans or other persons entitled to his effects, or to or in the case of funds or moneys created, raised or paid for charitable regimental purposes, or for such objects or purposes as hereinbefore mentioned.

*Receipts of Infants and Married Women.*

V. The receipt of any Infant for any money deposited in any such Savings Bank, or for any interest thereon, shall be a sufficient discharge, notwithstanding his incapacity or disability in law to act for himself; and any payment in respect of any deposit or interest thereon which may be made to any Married Woman, under any regulations made under this Act, shall be deemed a valid payment, and her receipt shall be a sufficient discharge.

*Deposits to be applied to Public Expenditure, and payments made out of Grants for ordinary services.*

VI. The moneys deposited in Military or Regimental Savings Banks shall be applied under the said regulations, by the officers or persons authorized to receive the same, to the payment of such ordinary army services as it may be their duty to defray, and all sums from time to time payable to depositors or otherwise under the said regulations for principal and interest in respect of moneys so deposited under the said Acts, or any of them, or this Act, or paid into the Bank of England under the thirdly hereinbefore-mentioned Acts, shall be paid out of the grants by Parliament for ordinary army services.

*Secretary at War to direct certain Moneys to be paid to the account of the Commissioners for the Reduction of the National Debt, and carried to the account of the Military Savings Banks.*

VII. It shall be lawful for the Secretary at War from time to time to authorize, by his warrant, payment out of the moneys granted for army services, and placed to the account of the Paymaster General at the Bank of England, of the amount of the money received and applied for the public service under this Act, together with the interest allowed thereon, to the separate account raised under the secondly hereinbefore-mentioned Act, in the names of the Commissioners for the Reduction of the National Debt

in the books of the Governor and Company of the Bank of England, and denominated "The Fund for the Military Savings Banks," and to authorize in like manner payment as aforesaid to such last-mentioned account of the amount of the money so received and applied under the Acts hereby repealed or any of them, with interest, as aforesaid, so far as such payment may not have been already authorized under such Acts or any of them; and in ascertaining the amount of which payment is to be so authorized deduction or allowance shall be made in respect of payments previously made to depositors or otherwise in respect of deposits; and the cashier of the Bank of England is hereby required to pay or transfer the amount mentioned in every such warrant from the account of the Paymaster General to such separate account accordingly: Provided always, that previous to any payment or transfer being made as aforesaid to such separate account, the person applying for that purpose shall in all cases produce to the officer of the last-mentioned Commissioners, at their office in London, a warrant from the Secretary at War, stating that the money mentioned therein is part of the funds of the Military Savings Banks.

*Investment of such Moneys.*

VIII. The Commissioners for the Reduction of the National Debt shall cause all the moneys placed to their account, in pursuance of this Act, or which may have been placed to their account under the Acts hereby repealed or any of them, and may not have been invested before the repeal of such Acts takes effect, to be invested from time to time, under such regulations as such Commissioners may direct, in the purchase of any bank annuities in their names, and to be carried to the account raised in their names under the secondly hereinbefore-mentioned Act; and the interest or dividends to arise from time to time and become due on any bank annuities purchased under this Act or the Acts hereby repealed, or any of them, shall in like manner be invested in the purchase of bank annuities; and such interest or dividends shall not be subject or liable to any taxes, charges or impositions whatever.

*Secretary at War may direct Moneys invested in Annuities to be transferred to account of Paymaster General.*

IX. It shall and may be lawful for the Secretary at War, by his warrant, to require that, within fourteen days from the day on which the same is lodged at the Office of the Commissioners for the Reduction of the National Debt, the whole or any part of the bank annuities standing in the books of the Bank of England in the names of such Commissioners and to the account aforesaid shall be sold, and the produce thereof paid to the account of the Paymaster General at the Bank of England.

*Commissioners for Reduction of National Debt empowered to sell.*

X. *Provisions as to Money arising from a dissolved Benefit Society.*

XI. And whereas by the said Act of the twelfth and thirteenth years of Her Majesty, provision was made for an equitable distribution of the funds of certain Regimental Benefit Societies thereby determined, and for placing the sum to which each existing subscriber might be declared entitled in the Savings Bank, established under the firstly hereinbefore-mentioned Act in the regiment to which he belonged, to accumulate for him until his discharge; and it was by the Act now in recital enacted, that upon its being proved to the satisfaction of the Secretary at War, upon the recommendation of the Commanding Officer of the regiment, that it would be of advantage to a Soldier to withdraw his portion of the said fund, including any accumulations thereon, from the Regimental Savings Bank before his discharge, it should be lawful for the Secretary at War to sanction such withdrawal, and such portion might be withdrawn accordingly:

The repeal of the said Act of the twelfth and thirteenth years of Her Majesty shall not affect the said provisions concerning the sums so placed as aforesaid in any Savings Bank.

*Officers of Savings Banks not personally liable, except for their own Acts.*

XII. No person having any control in the management of any Savings Bank established or continued under this Act shall be personally liable, except for his own acts,

*Accounts to be laid before Parliament.*

XIII. An account of the amount of all sums deposited under the Acts hereby repealed, or any of them, or this Act, within the year ended on the thirty-first day of March preceding, and of the amount of all sums withdrawn during the same period, and of the interest allowed upon such deposits, and also of the number of accounts open on the said thirty-first day of March, with such other particulars as her Majesty may be pleased from time to time to order, shall be annually prepared by the Secretary at War, and rendered to the Commissioners of her Majesty's Treasury, and shall be laid before both Houses of Parliament before the 1st day of April in every year, if Parliament be then sitting, or if Parliament be not sitting, then within fourteen days after the next meeting of Parliament; and the gross amount of all moneys received and paid by the Commissioners for the Reduction of the National Debt, under the authority of the said Acts hereby repealed, or any of them, or this Act, prepared up to the fifth day of January in every year, shall also be annually laid before both Houses of Parliament on or before the said first day of April, or within such period as aforesaid.

*Military Savings Banks not to be within the Provisions of 9 Geo. 4, c. 92, or other Acts.*

XIV. The Savings Banks established under the firstly hereinbefore recited Act, and to be established or continued under this Act, shall not, nor shall any moneys which have been placed to the account or have come to the hands of the Commissioners for the Reduction of the National Debt, under the Acts hereby repealed or any of them, or which may be placed to the account or come to the hands of such Commissioners under this Act, be taken to be within the provisions of an Act passed in the ninth year of the reign of King George the Fourth, intituled "An Act to consolidate and amend the Laws relating to Savings Banks," or of any other Act heretofore passed relating to Savings Banks.

*As to the word "India."*

XV. In the construction of this Act "India" shall have the same meaning as under section one of the Act of the session holden in the twenty-first and twenty-second years of her Majesty, chapter one hundred and six.

*Commencement of Act.*

XVI. This Act shall, as regards the making of regulations for Savings Banks thereunder, take effect immediately after the passing hereof, and in all other respects shall take effect from the time at which the regulations first made shall be therein appointed to come into operation.

HOME AND FOREIGN.

War Office, 26th September, 1861.

Sir,

WITH reference to War Office Circular 683, of the 20th May last, I am directed to acquaint you that, with a view to provide for cases of sickness urgently requiring the administration, at short intervals, of more concentrated nourishment than is attainable by the scale of daily diets laid down at page 60 of the Medical Regulations of the 7th October, 1859, the Secretary of State for War has been pleased, on the recommendation of the Director General of the Army Medical Department, to approve of the addition of the Articles named in the margin\* to the list of extras embodied in the Circular in question, and to sanction their issue in emergent cases of disease, when deemed advisable and necessary by Medical Officers.

It is to be understood, however, that these additional articles are only to be drawn as wanted, Medical Officers will, therefore, when the necessity arises, send special requisitions to the Purveyor, and enter, immediately thereafter, the supplies so demanded against the Patients' names on the Diet Sheets (War Office, Form 1,145).

I am at the same time to state for the guidance of Purveyors that when beef tea is prescribed it is to be prepared from fresh meat, whenever practicable, and that the essence of beef or preserved "meat juice" of the Reserve Store is only to be used when fresh meat cannot at the time be procured.

I am, Sir, your obedient servant,

to Officers Commanding, Military  
Medical Officers and Purveyors.

I AM directed to transmit herewith, for your information and guidance,\* a copy of a Report on the Organization of the Army Hospital Corps, &c., and to acquaint you that the recommendations of the committee have been approved by the Secretary of State for War, in concert with his Royal Highness the General Commanding in Chief.

to General and other Officers Commanding,  
Military Medical Officers and Purveyors.

\* To be had upon application being made to the War Office by parties concerned.

CIRCULAR, No. 715.

VICTORIA R.

WHEREAS we have deemed it necessary to amend our Warrant of the 1st August, 1857 (Army Hospital Corps—211), constituting the Army Hospital Corps, our will and pleasure is that the said Corps shall consist of the ranks, and shall receive the rates of pay, specified in this Warrant, and shall be subject to the rules and regulations laid down in the same.

1. The Army Hospital Corps is to consist of the following ranks for service in the Medical and Purveyor's Departments:—

Serjeant Major,  
1st Class Serjeant,

2nd Class Serjeant,  
Private.

2. The pay of these ranks is to be as follows:—

Serjeant Major	...	...	...	4s. 2d. a day.
1st Class Serjeant	...	...	...	3s. 2d. "
2nd Class Serjeant	...	...	...	2s. 2d. "
Private	...	...	...	1s. 0d. "

## CIRCULAR, No. 715—continued.

3. Increased pay for good conduct and long service is to be granted to the Privates of this Corps, under the provisions of the Good-Conduct Warrant for the Line, subject to the usual forfeiture for each entry in the defaulter book.

4. Every Non-commissioned Officer and Private of this Corps is to be allowed the daily ration of a soldier in hospital on full diet, free of any stoppage, whenever it is practicable to furnish such diet; but in the event of his becoming a patient in hospital he is to be supplied with the class of diet applicable to his case, and for such diet he is not to be liable to any stoppage from his pay. He will not be entitled under any circumstances to the allowance of 1d. a day for beer money.

5. Whenever it is not practicable to furnish him with a full hospital diet, he is to be supplied from the public stores with a ration as nearly as possible equivalent thereto, free of any stoppage; and when he cannot draw rations from the public stores, whether on board ship or on shore, he is to receive a money allowance of 8d. a day in lieu of a free ration. When he is in confinement for any offence, the whole of his pay is to be forfeited, and he is to be provided with the usual prison diet. When under other punishment he will receive the usual hospital ration, or an equivalent thereto, but will be subject to the stoppage from his pay of 8d. a day when the punishment involves the non-performance of his hospital duties.

6. When he is on the march, under route, in the pursuance of the public duty, the same allowances for marching money and hot meals are to be charged for him as for a soldier on the march; and in such case he is not to be entitled to rations, but is to receive, in addition to such marching allowances, the money allowance of 8d. mentioned in Article 5.

7. While on furlough he is to be subject to the same rules as soldiers, but the pay to be advanced to him, while so situated, is to be 6d. a day less than the full rate of pay of his rank, and the residue is to be accounted for to him on his return to duty.

8. While on furlough he will not be entitled to the money allowance of 8d. a day in lieu of rations, but will be settled with for his pay only.

9. Serjeants having passed the required examination, and who may be employed in dispensing medicines, shall while so employed receive an allowance of 1s. a day. A Private appointed Lance Serjeant to enable him to perform temporarily certain duties, shall receive whilst so employed 6d. a day in addition to his pay. A Private, whilst employed in a responsible capacity or placed for meritorious service in a first class, shall receive an allowance of 3d. a day in addition to his ordinary pay. The number of Privates to receive these rates of allowance shall be fixed from time to time. A Private appointed as barber, assistant cook, baker, washerman, &c., shall receive while so acting 2d. a day in addition to his pay.

10. All Non-commissioned Officers and Privates of this Corps are to be liable to be employed in any way that may be required in the performance of any duties in the Medical and Purveyor's Departments; and when on duty with an army in the field, they will be liable to be attached to the Field Ambulances, and to attend on the wounded, carrying them off the field, and performing any such like duties.

11. The Non-commissioned Officers are to take rank with those of the other Corps of our Army, and are to wear the ordinary distinctions of Non-commissioned Officers on their uniforms.

12. The ranks of the Army Hospital Corps are to be filled as a general rule, by soldiers volunteering from the ranks of other Corps of our Army, and having such length of service as shall from time to time be fixed by our Commander in Chief.

13. Whenever it may be desirable to admit into this Corps candidates who are not soldiers, application is to be made to our Secretary of State for War for special authority to enlist such candidates.

14. All Non-commissioned Officers and Privates of this Corps are to be liable to be discharged from the Service at any time that our Commander in Chief shall think fit, without any claim to compensation beyond the scale of pensions hereinafter laid down, and they may be re-transferred, at the order of our Commander in Chief, for misconduct, unfitness, or any other cause which our Commander in Chief may deem sufficient, to the Corps of the Army from which they may have been transferred to this Corps.

15. When their services shall be dispensed with, they shall be entitled to pensions on the following scale after a total service in this Corps, or in the Line, exceeding twenty-one years.

CIRCULAR, No. 715—continued.

16. Serjeants Major.—After twenty-one years' service, of which at least five in that rank, a pension for life of 2*s.* a-day, increasing to a maximum of 3*s.* a-day, at the rate of 2*d.* for each additional year's service, with the further additions of good-conduct pay of which they may be in possession at the time of their discharge, and of 1*d.* a-day for every five years' service as Non-commissioned Officers, but the maximum with such additions not to exceed 3*s.* a-day.

17. 1st class Serjeants.—After twenty-one years' total service, of which at least five in that rank, a pension for life of 1*s.* 6*d.* a-day, increasing to a maximum of 2*s.* 6*d.* a-day, at the rate of 1½*d.* for each additional year's service, with the further addition of good-conduct pay of which they may be in possession at the time of their discharge, and of 1*d.* a-day for every five years' service as Non-commissioned Officers, but the maximum with such additions not to exceed 2*s.* 6*d.* a-day.

18. 2nd class Serjeants.—After twenty-one years' total service, of which at least five in that rank, a pension for life of 1*s.* 3*d.* a-day, increasing to a maximum of 2*s.*, at the rate of 1*d.* a-day for each additional year's service, with the further additions of the good-conduct pay of which they may be in possession at the time of their discharge, and of 1*d.* a-day for every five years' service as Non-commissioned Officers, but the maximum with such additions not to exceed 2*s.* a-day.

19. Privates.—After twenty-one years' service, of which sixteen years at least shall have been in this Corps, a pension for life of 10*d.* a-day, increasing to a maximum of 1*l.* 4*d.* at the rate of ¾*d.* a-day for each additional year's service, with the further addition of the good-conduct pay of which they shall have been in uninterrupted possession for six months immediately preceding their discharge, but the maximum with such addition not to exceed 1*s.* 7*d.* a-day.

20. In case a Non-commissioned Officer or Private of this Corps shall become disabled by disease or injury, contracted on duty in the service, his case shall be specially considered, with a view to a pension being awarded to him, proportionate to his disability, without reference to length of service.

21. In all points not specifically detailed or provided for in this Warrant, the Non-commissioned Officers and Privates of this Corps shall be subject to all the rules and regulations affecting the other Corps of our Army.

22. For men of this Corps who may be attached to any Hospital or Station, the Purveyor is to perform the duty of Quartermaster, and the Officers of the Purveyor's Department will be the Paymasters of the Corps.

23. The discipline of detachments of the Corps will be provided for by the General or other Officer in immediate command.

Given at our Court at St. James's this 27th day of September, 1861,  
in the 25th year of our reign.

By Her Majesty's Command.

G. C. LEWIS.

*Forfeiture of Good Service Pay to be reported, &c.*

*Efficiency of the Troops.*

18. The Inspector General of Musketry, being held responsible for the efficiency of the troops in the use of their rifles, will bring under the notice of the Commander-in-Chief everything he may observe acting prejudicially to that efficiency, and any laxity he may discover on the part of those responsible for, and entrusted with, the important duty of training the troops to the use of their arms.

**CIRCULAR, No. 723. HOME AND FOREIGN. War Office, 1st Nov. 1861**

THE attention of the Secretary of State for War having been drawn to several instances in which the periodical demands for Stationery, &c., have largely exceeded the apparent requirements of the Public Service, more especially in regard to the supply of durable articles, such as rulers, inkstands, &c., Secretary Sir George C. Lewis has with the concurrence of the General Commanding in Chief, directed that a new form should be prepared, and that all future demands may be made out on the form in question.

In circulating this form for the general guidance of such portions of the service as receive supplies in kind, particular attention must be directed to the printed memoranda appended, in order that the requisitions may be framed with strict economy, and limited to the actual and necessary requirements of the Public Service.

**B. HAWES.**

\* [May be had, on application, at the War Office.]

**MEMORANDA.**

1. No articles but those enumerated are to be inserted in this demand, which is to be transmitted to the Under Secretary of State for War, War Office, Pall Mall, S. W., so as to arrive from Foreign Stations on or before the 1st June, and from Home Stations on or before the 1st September in each year.

2. It is to be distinctly understood, that the Stationery herein demanded is for service of the year succeeding that in which the demand is made, and it is therefore not due at the Station until the first day of the following January.

3. The articles enumerated at Page 2 of the Form, together with others of a durable nature, must be left by an Officer quitting a Station in the charge of his successor. The cause of any deviation from the Regulations must be shown on the demand.

4. The quantity of every article remaining on hand at the date of making the demand must be shown, whether a supply is required or not.

5. Regulation Books, Printed Forms, Store Ledgers, and Store Ledger Paper should be demanded on the Form of Requisition provided for that purpose.

Engineer demands for Mathematical Instruments, Colours, and other Drawing-room articles, are also to be made separately, and sent to the Inspector General of Fortifications.

6. The Secretary of State for War requests that the strictest economy may be exercised in the use of all articles of Stationery supplied, and that Letters on the Public Service, when they occupy one page only, may be written on half sheets of paper. When demands are unusually large, cause should be assigned, otherwise the supply will be reduced.

## GENERAL ORDER. No. 795.

Instruction of Musketry. 6—(1861).

*Horse Guards, 25 Sept. 1861.*

His Royal Highness the General Commanding in Chief having had before him the annual report of the instruction carried on at the School of Musketry at Hythe, and of the progress of musketry instruction throughout the army during the year 1860—61, desires that Officers commanding divisions and districts will call the attention of Officers commanding regiments in their respective commands, to the following points, viz. :—

1st. It appears to His Royal Highness that Commanding Officers are not as careful as they ought to be in the selection of men for training, and that, in many instances, serjeants and privates have been sent to Hythe two and three times over. The consequence is that the energies of the Staff of the Establishment are wasted, and the object of the School as a normal training institution defeated.

Too many Officers trained for the appointment of Instructors are Ensigns, who, although they may qualify for the position, fail to discharge the duties thereof satisfactorily, from want of a knowledge of the service, and weight as regards years and rank.

To ensure the Schools of Musketry being in future used with the greatest advantage to the service, Officers of the superior ranks will, whenever it may be practicable, be allowed to go to those establishments, and all Adjutants and Serjeant Majors of regiments and depot battalions should be regularly trained there, either before or after appointment; and all serjeants, corporals and privates sent for instruction should be specially selected for their *conduct, intelligence and educational acquirements*, in order that they may be of use on their return to their respective corps.

2nd. Notwithstanding the previous injunctions on the subject, the number of non-exercised men in many regiments continues very large, proving that every opportunity is not embraced to bring all the men under instruction. It only takes twelve days for a soldier to execute his annual course of rifle training; hence no excuse can be made as regards time.

3rd. The practice still prevails of Medical Officers exempting men from rifle training who in other respects appear to be doing duty in the ranks. This proceeding is prejudicial alike to efficiency and to discipline, and is one which, if not stopped, will open the door to great abuses.

4th. The inferior shooting of many regiments points to the want of greater care in the execution of the preliminary drills, and of the more frequent exercise of the men in the "position" and "aiming drills,"—also to the necessity of greater attention being paid to the further instruction of third class shots during the winter months, which alone will ensure a higher position in the "table of merit."

5th. Particular attention should always be paid to the different firings at battalion, brigade and divisional field days, as if executed in a hurried and careless manner, the good derived from a steady course of rifle training is in a great measure counteracted.

By Order of H. R. H. THE GENERAL COMMANDING IN CHIEF.

the annexed list marked A, the General Commanding in Chief desires attention to the following rules, which have been drawn up for regulating this service,—and looks for the co-operation of Commanding Officers towards carrying out the same, and ensuring the circulation of the slides and diagrams with that regularity upon which the success of the measure will mainly depend.

General Officers Commanding at the several Foreign Stations specified in the list B will be pleased to give effect to these regulations within their respective commands, as far as local circumstances will permit, reporting from time to time their arrangements to this Department for the General Commanding in Chief's information, and with a view to the same being communicated to the Council of Military Education.

1. The boxes and diagrams are now at the Stations specified in the annexed list A., and should be placed in charge of the senior Schoolmaster at the Station, or some other Schoolmaster detailed to that duty by the Officer Commanding.

2. No box nor set of diagrams is to be kept at any Station longer than three weeks, at the end of which it is to be forwarded to the Station next in order on the list A.

3. As soon as a box has been forwarded the Form No. 1, properly filled up, is to be sent to the address given at the bottom of the form.

4. The Form No. 2\* is to be filled up and sent to the same address on the receipt of a box of slides.

5. When any of the slides are broken or injured, full particulars respecting the damage done are to be written on the margin of Form No. 2.

6. The slides must be carefully placed in each box, and the spaces between the slides and the sides of the box filled up with the wool which has been supplied for this purpose. The slides must be properly packed, to prevent breakage in the transit.

12. That the Lecturer may have the means of obtaining the information necessary on the various lectures, suitable text books will be supplied to such of the libraries, at the stations among which slides will henceforth circulate, as do not already possess them. As the boxes are transmitted to the stations in succession each Schoolmaster will find, on referring to List A, the subject on which he will have to lecture when the next set of diagrams or box of slides shall reach the station to which he is attached.

**GENERAL ORDER. No. 797. Horse Guards, 10th Oct., 1861.**

His Royal Highness the General Commanding in Chief is pleased to approve of General Officers commanding Districts and Divisions in *Great Britain*, and Officers commanding in Garrisons not included in any Military District, granting Leave of Absence to Officers and Furloughs to Non-commissioned Officers and Soldiers, under the following Regulations and Restrictions, viz. :—

1. Leave of Absence, granted under this Order to Officers, may commence on 15th October, or as soon after as the Half-yearly Inspection shall have been made. Furloughs granted to Non-commissioned Officers and Soldiers may commence from the 1st of the next month.
2. These indulgences are to terminate on the 14th of March next, when, agreeably to Her Majesty's Regulations, all Officers and Soldiers are to be present with their respective Regiments and Depôts.
3. One Field Officer, one-half of the Captains and one-half of the Subaltern Officers are always to be present.
4. No Officer (except in the performance of Duty, or for the purpose of joining his Regiment) is to quit the United Kingdom without having first received Her Majesty's special permission, according to the Regulation on that head.
5. Officers employed on the Recruiting Service or upon the Staff of the Army, are not to be included in the number hereby fixed for the constant duty of the Regiment or Depôt.
6. The applications for leave for Regimental Paymasters and Medical Officers are to continue to be made in the mode prescribed in the Regulations and Orders for the Army.
7. In cases of short Leave of Absence being requested by Adjutants, Riding Masters, Quarter Masters or Veterinary Surgeons of Regiments, it will be necessary that a special Report be made as to the mode in which their duties are to be performed during their absence, and that the Commanding Officer is satisfied.
8. The proportion of Non-Commissioned Officers, Trumpeters, Drummers and Private Men, to whom Furloughs may be granted, is not to exceed 20 per Battery of Horse and Field Artillery, or 10 per Troop, Battery of Garrison Artillery, or Company.—Commanding Officers of Regiments returning from India may exercise a liberal discretion in granting Furloughs to Soldiers who came home with their Corps.

## GENERAL ORDER.

No. 798

*Horse Guards, S. W., 18th October, 1861.*

With reference to paragraph 5 of the Staff College Regulations, published with the General Order, No. 786, dated 24th April, 1861, Officers of the Army are hereby informed that the examination, in July, 1862, of Candidates, for admission to the Staff College, will comprise the following portions of Military History, &c., viz. :—

Campaigns of The Duke of Wellington in 1812, 13 and 14.

Campaigns of The Emperor Napoleon in 1812, 13 and 14.

The Military Topography of Spain, Portugal, France, Germany and Russia.

In studying the above campaigns, candidates are recommended to avail themselves of every information that can be obtained of the objects as well as of the details of the operations, from published Orders, Letters and Dispatches, in addition to the ordinary Histories.

By Command of H. R. H. THE GENERAL COMMANDING IN CHIEF,

JAMES YORKE SCARLETT, *Adj. Gen.*

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

## Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.
2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.
3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.
4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.  
If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.
5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.  
A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.
6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.
7. When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.
8. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.
9. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.
10. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.
11. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.  
Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

## Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.
2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal be bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

### **ARTIFICIAL ARMS AND LEGS.**

THE Lords and others Commissioners of Chelsea Hospital having at the suggestion and recommendation of the Secretary of State for War, made Arrangements for the supply of Artificial Arms (constructed upon an improved principle) and of Artificial Legs (in imitation of the natural leg both as to form and motion) to those Commissioned Officers who have been wounded in the Service, whose means may not enable them to provide themselves with more expensive contrivances,—it is hereby notified, that such Officers who may be desirous of availing themselves of this benefit and whose cases may come within the above regulation, should address their applications upon the subject to the Secretary of Chelsea Hospital. It is, however, to be clearly understood, that, as this is intended to be a boon to Officers of the above description, no pecuniary allowance in lieu can be granted to Officers who may prefer providing themselves with other substitutes for limbs.

## MEMORANDUM.
